## WELCOME TO LAKE TOXAWAY COUNTRY CLUB

For over a century, Lake Toxaway has been a popular retreat for thousands of discerning travelers. In the early 1900's, such notable personalities as Henry Ford, John D. Rockefeller and Thomas Edison spent significant portions of their summers vacationing here. Today, families from all over the world still find tranquility and rejuvenation while visiting this enchanting destination. Nestled in the heart of the Blue Ridge Mountains, Lake Toxaway combines breathtaking vistas, sparkling waters, crisp mountain air, with the amenities and activities at the Lake Toxaway Country Club in order to provide each guest with countless hours of enjoyment.

During your visit, we invite you and your family to experience all that the Club has to offer. Enjoy a round of golf on our award-winning course, hit the tennis, pickleball or croquet courts for a friendly (or competitive) match, cool off by the pool with the kids, or join us for a meal in Lake Club Grille, Vanderbilt Ballroom and Firestone Grille.

If you have any questions at any time during your visit regarding club activities, please do not hesitate to call the Club's main number 828.966.4020.
